Respiratory Disease Analysis Report

Patient Name:	Atharv Patil
Email:	atharv439@gmail.com
Report ID:	20260509110645
Date:	2026-05-09 11:06 UTC

Diagnosis Result

Predicted Condition:	Tuberculosis
Confidence Score:	100.00%

Medical Interpretation:

Possible infection with Mycobacterium tuberculosis. Consult a chest specialist immediately.

Recommendations / Home Remedies:

- Complete full course of TB medications.
- Eat protein-rich foods and stay isolated until recovery.
- Consult pulmonologist for follow-up tests.
